Social and Club News

The wedding of Miss Irma Brown and C. J. Vaughan was the occasion of a very happy family gathering on Sunday morning, the ceremony taking place at 10 o'clock at the home of the bride's mother, Mrs. G. S. Brown, of 149 Clark street. Although the marriage was celebrated very quietly, there was much interest centering in it, for both the groom and his attractive young bride belong to well-known families in the community and have a wide circle of friends here.

The bride is an unusually charming girl, a graduate of Fresno High school and possessed of many admirable qualities of character. Mr. Vaughan is the youngest son of Mrs. J. C. Vaughan and a valued employee of Holland & Holland.

The rooms were very prettily decorated for the event in greenery and blossoms. The ceremony was performed beneath a bower of sunflowers and ferns from which hung white wedding veils, garlands of sunflowers and clusters of white blossoms completed the decorations.

Millions of Lives Lost

An Awful Toll Collected by Consumption; Many Unnecessary Deaths from This Disease.

If people could only understand that systematic catarrh is an internal disease that external applications cannot cure, they would not need to be warned so often about this malady, which, when neglected, pays the way oftentimes for consumption, at the cost of millions of lives every year. Yet catarrh may be cured, if the right treatment is employed.

Catarrh is caused by a general diseased state of the system which leads commonly to annoying and perhaps serious local conditions, which may prove a fertile breeding ground for germs of consumption. External remedies give but only a temporary relief, and only when successfully treat catarrh is by employing a medicine which is absorbed and carried by the blood to all parts of the system, so that the mucous membrane or internal lining of the body is toned up and made capable of resisting the infection of consumption and other diseases.

We have a remedy prepared from the prescription of a physician who for thirty years studied and made catarrh a specialty, and whose record was a patient restored to health in every case where his treatment was followed as prescribed. That remedy is **REXALL MUCU-TONE**. We are so positive that it will completely overcome catarrh in all its various forms, whether acute or chronic, that we promise to return every penny paid us for the medicine in every case where it fails or for any reason does not satisfy the user.

We want you to try **REXALL MUCU-TONE** on our recommendation and guarantee. We are right here where you live, and you do not contract any obligation or risk when you try **REXALL MUCU-TONE** on our guarantee. We have **REXALL MUCU-TONE** in two sizes, 50 cents and \$1.00. Very often the taking of one 50-cent bottle is sufficient to make a marked impression upon the case. Of course in chronic cases a longer treatment is necessary. The average in such instances is three \$1.00 bottles. Remember you can obtain **REXALL MUCU-TONE** only at our store, **The Rexall Store**, The Monroe Drug Co.

Heating Stoves

Perhaps you're thinking of getting a heating stove and we want you to know that we sell the best, homeliest and most economical heating stoves made. They're constructed of highest grade materials and will last for years; they're all fuel savers, too. Prices are remarkably low.

Air-tight sheet iron heaters \$2.00 to \$4.25
Air-tight heater, brick-lined \$5.25 to \$10
The best oil stoves \$3.50 and \$5.00
Coal stoves \$5.50 to \$11

progressive whilst last Wednesday evening at her home on E street. The decorations were in red and green. Prizes were awarded. Miss Emma Weller, Mrs. Hattie McCall, A. Scott and A. S. Shaw. After the games refreshments were served. Those present were Misses Marguerite Weller, Florence Young, Edna Rogers, Emma Weller, the Weller family, Fred Rogers, Charles Gaudin, John Hill, A. S. Shaw, A. Scott, H. Mason.

Mr. and Mrs. C. A. Mudge and daughter, Ethel, have returned from an extended trip to Washington and Oregon. Of course, they visited the Seattle exposition and were greatly pleased with it.

The Mizpah Church of the First Presbyterian church will meet at 2:30 o'clock this afternoon with Mrs. K. K. Prescott, No. 2923 Tulare street.

FOOTHILL LANDS TO BE IRRIGATED

Fruit Orchards Will Replace Stock Pastures.

Wishon Goes to Los Angeles to Give Orders for Machinery.

That it is the intention of his corporation to irrigate the foothills along the eastern portion of this section of the valley was the statement made yesterday by A. G. Wishon of the San Joaquin Light and Power Company. Wishon left last night for Los Angeles, where he will hold a conference with the officials of the company relative to the placing of the order for machinery to be installed at the power house in Crane Valley. This machinery will be of 17,000 horse power and very well be of 17,000 horse power for years to come. It is expected that it will be in place by the first of next May and that it will be in operation two months later.

"One of the first districts to be placed under irrigation," said Wishon, "will be that north of Pollock in Madera county and directly across the San Joaquin river. This land has been subdivided and is being rapidly settled by small farmers."

"This will be only a beginning. All the territory along the foothills to the south will be under irrigation within the near future. When this is brought about the products and subsequent exports of this district will be greatly increased."

"It is a fact not generally known," continued Wishon, "that much of the best land that is now devoted to orange orchards was but comparatively a short time ago a desert."

"It is also a fact that much of the land is yet being utilized for that purpose simply because there is no water to be had except for dry farming."

"Now we propose to furnish the water," said Wishon, "and we will have sufficient power for all purposes. The water is there in immense quantities under the ground simply waiting to be pumped out. With power on hand to do that and obtainable at a low figure, there is no reason why all the fruit trees are now returning only a small profit should not be converted into valuable properties. By this time next year the pumping will be well under way and all this section of the San Joaquin valley will be the garden."

MARRIAGE LICENSES FOR EIGHT COUPLES

The record at the county clerk's office shows the issuance of marriage licenses to eight couples named as follows:

Noah H. Jacobson, native of Iowa, aged 25, and Martha Christensen, native of Australia, aged 27, residents of Selma.

Daniel Phillips, native of Nova Scotia, aged 27, and resident of Berkeley, Kern county, and Jessie Hatcher, native of Arizona, aged 17, and resident of Madera. W. G. Hatcher consented to the young woman's marriage.

Daniel P. Bates, native of Scotland, aged 26, resident of Coalinga, and Katherine B. Likens, native of Missouri, aged 21, and resident of Selma.

Isador Carlson, native of Nebraska, aged 24, and Nellie M. Pentry, native of Illinois, aged 24, resident of Selma.

Campbell J. Vaughn, native of Missouri, aged 26, and Irma Brown, native of California, aged 21; residents of Fresno.

Simon Simonian, aged 23, and Crona Bedrosian, aged 18, natives of Turkey and residents of Fresno.

John E. Brown, native of Missouri, aged 21, and Mona B. Cade, native of Michigan, aged 17; residents of Fresno.

Mrs. Dona Brown, of 555 G street gave consent to the marriage.

Richard E. Doyle and Mary V. Kennedy, natives of California, aged 22, and residents of San Francisco.

WOULD FORM A DRAINAGE DISTRICT

Petition headed by the Shepherd, Teague Company and signed by others, has been presented to the supervisors stating that it is necessary for the protection and keeping in repair of the ditch during the winter months of that portion of Arbutus road running north and south about the center of the S. & T. alluvial tract No. 1 in the Clovis region that said road be drained in carry off surplus and storm water. This drainage can be best effected by the continuation of the existing ditch on the east side of the road for a distance of about forty rods. For that reason it is sought to form an organized drainage district under the law.

UNITARIAN PULPIT

THE CHURCH DYING, BUT RELIGION GROWING

We are told that the church is dying. Facts seem to show that this is true. The outer emblem of religion does not appeal to mankind as once it did. Religious authority is everywhere being doubted, and old standards of truth are being displaced by new. Creeds are crumbling like snowbanks in springtime, and for the same reason, but in spite of the passing of the form, the fact and the force of religion remain. It is asserting itself in the daily life of men. It is rising to new heights in the growing altruism of the race. Religion grows, for love grows, and love is religion.

HAMMOND RECALLS BOER PRISON DAYS

Tells Why He Herded With Common Bunch.

Saw Advantage in Not Positioning as High-Toned Instigator of Trouble.

(By CHARLES CHAMBERS.)

John Hays Hammond, the famous mining engineer, who is accompanying President Taft on his trip throughout the United States, was in a reminiscent mood during his visit to Fresno, Sunday. He was entertained by the Selma club.

Hammond having experienced a varied career, he was naturally asked to relate some of his most vivid experiences. He told story after story which held his audience like stone statues in a Paris museum, until the pain of his stories was reached, when his listeners would break out with the usual hearty laugh when enjoying a good story. Among the stories told by Hammond, the following was perhaps the best:

"Every one has heard of my South African experiences, especially the time when I was imprisoned and sentenced to death in South Africa and finally escaped death through the intervention of American and English diplomats. The outcome of this matter was that I was to serve six months in jail and pay a fine of \$50,000. I served the time, all right, and Gerald Rhodes came through with the fine. I was finally released. During my stay in the Boer prison, I made it a point to talk up with the common herd; that is, instead of having fancy meals sent to me from the outside, I thought it was best under the circumstances to take on the diet given common prisoners. In fact, mix with them and be one of their number. I figured, of course, to take charge of the prominent instigators to overthrow the Boer government, that when they made such a bold I would be mixed up with the regular run of prisoners, who were incarcerated on ordinary charges. In this way I might be overlooked in case any mob law hanging was to be put into effect. I figured that if such a raid was made, all the prominent prisoners would be taken out of the jail and strung up without ceremony. In jail with me were a lot of Englishmen, who always tried to keep aloof and to themselves. I could just as well have mingled with them and received better treatment, for they were influential, and many little favors such as having special meals sent to them from the outside. I could have perhaps gotten the benefit of my American training, however, gave me a hunch to lay low, mix up with the ordinary prisoners and be one of them. You know why I being in a hand like a band of stray horses in a corral was better in this instance than being a hooded horse in a box stall, when horse thieves were rampant. The best horses are always taken first, and I might be overlooked as a scrub."

A FEW DOSES REGULATE YOUR KIDNEYS AND END BACKACHES

Out-of-Order Kidneys Act Fine and Bladder Misery Vanishes.

Out-of-order kidneys act fine and bladder misery is relieved after a few doses of **Pape's Diuretic**.

Pains in the back, sides or loins, rheumatic twinges, debilitating headaches, nervousness, dizziness, sleeplessness, indigestion or swollen eyelids, worn-out feeling and many other symptoms of clogged, inactive kidneys simply vanish.

Frequently painful and uncontrollable urination due to a weak or irritable bladder is promptly overcome. The moment you suspect any kidney, bladder or urinary disorder, or feel rheumatism coming begin taking this harmless remedy, with the knowledge that there is no other medicine, at any time, in the world.

ALL AVAILABLE STATE OIL-LAND ORDERED WITHDRAWN FROM ENTRY

Action Temporary to Permit Entry of Mineral Lands in 160 Acre Tracts, Similar to Homestead Law Now in Effect.

VISALIA, Oct. 11.—The register and receiver of the United States Land office in this city received notice today of the temporary withdrawal from entry of practically all available oil land in the state of California.

The withdrawal is in line with the government's policy of reserving oil lands in the state of California. The action is temporary, and the lands will be returned to entry when the government's policy is changed.

The following letter, bearing a long list of the lands withdrawn from entry, was received this morning:

October 5, 1909.
Register and Receiver, Visalia, Cal.
In aid of proposed legislation affecting the use and disposition of the public domain, the department of the interior, upon recommendation of the director of the United States Geological Survey, the Assistant Secretary, under date of September 27, 1909, has ordered temporarily from all forms of location, settlement, location, filing, entry or disposal, under the mineral or non-mineral public land laws, all public land in the accompanying list, and directed that all locations or claims existing and valid on that date, may proceed to entry in the usual manner after investigation and examination.

S. V. HIGGINS, Asst. Com.
Articles of incorporation of the Elgin Oil Company were filed today. The company has obtained to purchase a quarter section north of the Decatur's Den in section 24-18-18, and will begin to bore for oil as soon as sufficient stock can be sold.

The company is incorporated for \$75,000, of which \$25,000 has been subscribed by the directors as follows: T. C. Coker, \$10,000; John E. Haggard, \$10,000; Isaac Clark and J. C. Johnson, \$5,000 each. The company has additional shares were disposed of today as a part of the \$25,000 additional stock to be sold.

E. H. Smith has begun an action against Francis Smith and Helen Smith, and their guardian, Agnes Smith, also Joseph Johnson, to quiet title to 125 acres in sections 33 and 34-21-28, and in 3-22-28. Smith alleges that the property in 1901 was placed in trust with Johnson, but that three years later he decided to take the land back without right, so to do, John Hartman and William Kearns are attorneys for plaintiff.

County Recorder J. C. Crisman, back from Nevada and other parts of the high altitudes, tells a story of a big back door loused by Will Lowery, a cattleman, after a chase of a mile throughout the forest. Lowery shot the deer in the shoulder and thus handicapped, it was outrun by the deer.

Mr. Crisman reports being in a lively snow storm, the first in years experienced, and of walking to find it covering the canvas of his tent. The trip altogether was a pleasant one.

The condition of Mrs. R. E. Lawless, whose eyes were burned by a spray from a white-washing apparatus, is reported much improved. The doctor tells her that she will soon recover the use of her eyes.

Mrs. Hugh McNeill, reported upon in this city yesterday, is reported resting easily this afternoon, although very ill as a result of the amputation.

BANQUET TO-NIGHT
You Can Safely Eat One if You Take Two Mica Tablets Afterwards.

San Joaquin Drug Co. Guarantees Them.
It is really a pitiful sight to see so many thousands of people worrying about what they can eat and what they can't eat.

Respirators, they call themselves, but they stretch the imagination when they do it.

All these people need to make them healthy, cheerful and of sound appetite, is a box of Mica Tablets.

The stomach of a dyspeptic is over-worked and run down. It needs help to digest the food, but more than that it needs a prescription that will cleanse, renovate, strengthen and put elasticity into the stomach walls.

Mica Tablets, a prescription that will do this, and do it so promptly that you'll wonder why you didn't try it before.

It stops belching of gas and distress after eating in five minutes. It is undoubtedly the best remedy for stomach trouble given to the public by a specialist in stomach diseases.

Leading druggists everywhere sell Mica Tablets. The San Joaquin Drug Company sells it in Fresno for 50 cents a large box on the money back plan. Get samples free from Booth's Mica, Buffalo, N. Y.

HYOMEI

HEWED OWN COFFIN, FORSAKES BANKING QUARRIED HIS TOMB FOR ORANGE CULTURE

"Blackhorse" Jones Now Son of Senator Miller Becomes Grower.

Upon Death of Sweetheart, Work Resumed on Wishon Power Plant in Mountains.

HANFORD, Oct. 11.—In a coffin which he hewed from a sycamore tree, the body of K. W. Jones, who for forty-five years has led the life of a recluse on an isolated ranch near here, will be interred in a tomb built of rock which he quarried in the hills twenty miles away and hauled to Hanfordsville country to be his sepulchre.

Jones died of heart disease Saturday on his lonely ranch. He was called "Blackhorse" Jones because of his hobby of raising and training black horses, fifty head of which were on the ranch when he died.

Saturday, while Jones was hitching up a team to drive to the Devine's Den country, one of the horses knocked him down. He was struck and died of a heart attack, which the shock had brought on.

J. W. Crow, who was with him, remembered what aid he could render the old man.

The sudden ending of his life's romance, it is said, led him to his hermit existence. According to those who heard the story from him, Jones' fiancée fell and broke her neck while leading him a drink of water from a well, only a few days before the day on which they were to have been married. His grief led him to make an effort to get as far away from the town where his sweetheart died.

For years he has kept his coffin in the bedroom of his lonely cabin, and when his tomb was finished he carved an epitaph on it with his name, leaving blank only the death date.

His estate, which includes property near the Coalinga oil fields, is estimated at \$10,000.

SANTA FE STARTS OAKDALE DEPOT
Mission Structure Will Cost \$20,000—Woman Severely Injured in a Runaway.

OAKDALE, Oct. 11.—A runaway of unusual circumstances and possible results occurred here Sunday as a result of which Mrs. Byron Sutlin at this place has unconscious and severely injured. The team of Mr. Peters of near Oakdale was left standing by him on West Railroad avenue with his two little boys in the rig, one holding the lines. An automobile coming suddenly into view the team took flight. The father grabbed the bridle of one of the horses and it broke in his hands while the team proceeded at a mad pace down the street. At the corner of West Railroad avenue and D street it turned west, crashing into the fence of a vacant lot and throwing the two boys out.

Pursuing its course westward the team came into view of the rig in which Mr. and Mrs. Byron Sutlin had started for a ride into the country. Opposite the corner at which the team was standing, the rig was on the side next Mrs. Sutlin, throwing her a distance of fifteen feet, where she landed in the road fracturing her shoulder. Mr. Sutlin's horses then became unmanageable and it was some minutes before he could stop them and go back to his wife. Mrs. Sutlin had been ill for several months and the ride was to have been for her benefit. The shock and injuries received in the accident make her condition now very serious. Drs. Young and Endicott are in attendance.

The funeral of Arthur A. Lewis took place Sunday under the auspices of the Woodmen of the World. Lewis, who died Friday, was born 39 years ago near Knight's Ferry, a son of parents who while he was yet a child to the date in 1826 he was married to Miss Mary Reynolds, also of this city, who survives him. He also leaves two children, Irma, aged 12, and Wanda, 10.

The Edward M. Lincoln monument, recently erected by the Woodmen of the World in the Citizens' cemetery here, was unveiled Sunday afternoon with appropriate ceremonies. State Organizer Peter E. Gilroy was present and delivered an address to a large crowd which witnessed the unveiling.

The members and friends of the Methodist Episcopal church (center) their new minister, Rev. Marvin N. Parsons, and his wife, a welcome reception last Friday evening. Mr. Parsons is a former Oakdale boy and is remembered by many old time acquaintances. Rev. Parsons is a graduate of the University of the Pacific and the Boston University. He is a brother-in-law of Congressman L. C. Newhall of Modesto, also C. M. Clark of that city.

Material for the new Santa Fe depot in South Oakdale is now on the ground and the work has commenced. The depot will be a handsome structure of mission architecture with concrete foundation. Its estimated cost is \$20,000.

A CONSIDERATE MAN.
The cars on account of the state fair and its accompanying throngs, are pretty crowded these days.

There was a man in the middle of a crowd on the back platform of a 25-cent street car the other evening who suddenly bent over and then pushed his way hurriedly to the edge of the platform. After a few facial contortions he announced in stentorian accents, "Kercho!"

"A good thing that I got to the outside of this crowd," he remarked, after he had recovered from the spasm. "This car is so crowded that I sure would have blown some of you folks away!"—From the Louisville Courier-Journal.

OUR CHALLENGE!
San Joaquin Drug Company Declares That Hem-Roid Will Cure Any Case of Piles.

By authority of Dr. J. S. Leonard, the San Joaquin Drug Company guarantees that Hem-Roid, an internal tablet remedy, will cure any kind of piles, no matter how bad.

Dr. Leonard is the celebrated specialist who discovered that the cause of piles is internal, and in giving his remedy to the public, said: "Hem-Roid will be sold only under a guarantee that it will cure any case."

Co-Operation

We think we are justified in asking the co-operation of the public to the extent of holding toward us a friendly spirit in considering our problems and dealing with personal and municipal questions which affect us.

The co-operation we desire is not the kind that would perform our work for us or lift our responsibilities from our shoulders. Rather it is the same appreciation and encouragement which is accorded any worthy commercial enterprise whose labor and ambitious help to make the city great.

A city cannot get along without utilities, nor can the utilities exist without the city. They are mutually dependent. A gas company that does not do its utmost towards developing its city is working against its own best interests; likewise, a community which fails to co-operate with an EFFICIENT public service company sacrifices its own welfare.

On this point the Railroad Commission of Wisconsin, an absolutely disinterested body, has said: "The relations between the cities and the utilities operating therein should be harmonious. There must be co-operation rather than agitation. No one, it would seem, has anything to gain by the financial failure of public service corporations which are conducted and operated under ordinary or normal conditions."

"Losses to such plants are, in the end, likely to result in both public and private injuries. It usually means poorer and depreciated service, which of itself is a very important item. Even if it should enable cities to acquire title to their utility plants at comparatively low cost, such acquisition is not likely to prove a popular one in the long run."

THIRD GAME OF SERIES IS WON BY PITTSBURG

Summers Knocked Off Rubber In First Round; Detroit Has Batting Rally In Final Innings But Pirates Clinch Contest In Ninth

PITTSBURG, Oct. 11.—Pittsburgh's third game of the series with Detroit was a close one, but the Pirates won in the ninth inning. The game was played at Recreation Park and was attended by 1,500 fans. The Pirates scored two runs in the first inning, but Detroit tied the score in the second. The game was tied 1-1 at the end of the sixth inning. In the seventh inning, Detroit scored two runs, but Pittsburgh tied the score in the eighth. In the ninth inning, Pittsburgh scored two runs to win the game.

ATTENDANCE AT WORLD'S SERIES BREAKS RECORD

DETROIT, Mich., Oct. 11.—Attendance at the Detroit Tigers game against the Pittsburgh Pirates at Recreation Park today broke the record for the series. The game was attended by 1,500 fans, which is the highest attendance for any game in the series.

Tells of 1500-Mile Trip On Tandem Motorcycle

Bert Caughell of This City Reviews Journey of Last Summer.

Bert Caughell, secretary of the Fresno Motorcycle Club, in current number of Pacific Motoring of Los Angeles.

On the 25th day of July, 1937, my wife and I started for the Yosemite valley on our twin Harley-Davidson motorcycle in company with Chase Briggs on a single cylinder Excelsior.

We left Madera at 2 p. m. for Fresno via Coarse Gold, but did not make it owing to the fierce condition of the roads, so stopped at a motorist's house for the night after having ridden about forty-three miles from Madera.

The next day we went on to Coarse Gold, seven miles, and Fresno Flats, twelve miles further, where we stopped for an early lunch and straightened the forks of Mr. Briggs' machine.

In the afternoon we went to Mr. Correll's place, where we stayed all night, taking a side trip to the Sugar Pine lumber mills, where they run day and night.

We left our machines at Mr. Correll's place and walked the rest of the way to the valley. The ride was very good, and we had a very good time.

The next two days were spent in visiting the various points of interest in the valley, one being the Sentinel Dome, 817 feet above the sea level.

We also saw a rainbow by moonlight in the Lower Yosemite falls.

The trip out of the valley was made by stage, stopping for the night at Mr. Correll's, where our machines were.

We got an early start the next morning for San Francisco, intending to go as far as we could without riding too hard.

After having gone about thirty miles our machines run out of gasoline and we had to use coal oil for eight miles before we could get any gasoline.

In the afternoon we made sixty miles from Madera to Los Banos, where we stayed all night. The roads were very good after we got to Raymond on the way down.

The next day we went on to San Francisco, reaching San Francisco at a distance of 130 miles. We went over the Pacheco Pass and through Gilroy and San Jose.

After having spent a few days in San Francisco as the guest of Joseph Holte (the Harley Davidson agent), we journeyed to San Jose, where Mr. Briggs left us, as he had to return home.

In San Jose we visited the Alamo Rock Park, where there are fourteen kinds of mineral water flowing out of the ground in an area of an eighth of a mile.

Leaving San Jose the next noon we rode to Pacific Grove, eighty-five miles distant, going through Gilroy, San Juan, over San Juan grade and through Salinas. The road over San Juan was in the worst possible condition, being very rocky and at the same time very dusty.

While in Pacific Grove and Monterey we rode through the famous Hotel Del Monte grounds and around the seventeen mile drive.

TOMMY BURNS, WHO SAYS HE WILL RETURN TO RING SHORTLY

Tommy Burns, former heavyweight champion pugilist, who has been in Australia since he was defeated for the title by Jack Johnson last December, says he intends to return to America shortly and will again enter the ring.

Burns stated he will try hard to forego Johnson into giving him a return match. If unsuccessful, he says, he will take on Sam Langford, the durk-hued warrior from Boston. Burns figures that a victory over the latter would surely enable him to regain some of the prestige he lost when Johnson defeated him. Burns has cleaned up a fortune while in Australia with what he made.

PHILLIES ARE NOW OWNED BY ISMAN
NEW YORK, Oct. 11.—Pelix Isman has purchased the stock in the Philadelphia National League baseball club held by Robert Davis. It is understood in baseball circles here, and the Magee-Donlin deal is said to be assured for the next season. Mr. Isman, who is now in this city, would not deny the reported purchase. The club stock was held at \$10,000, or \$12,000 more than he originally paid for it.

Mr. Isman has been anxious to obtain the controlling interest in the Philadelphia National League club and get Mike Donlin, formerly of the New York Nationals, in charge as playing manager. To do this he had practically agreed to trade Magee for Donlin. This would have done away with the services of the present manager, William Murray, whose friends maneuvered to prevent Isman from obtaining control.

TO START RACING ON JAMAICA TRACK
NEW YORK, Oct. 11.—The first race meeting to be held at the Jamaica course since the close of the season of 1937 will start tomorrow, today being the last day at Belmont Park.

Thirteen stakes are offered for the meeting of twelve days. The Piermont handicap, at one mile and a furlong, for 2-year-olds and upwards, \$5000 will be the feature event at the opening. The two highest purses are the Hildreth entry, King James, 120 pounds, and Fitzherbert, 120.

Schreiber's Jack Atton, a third on the list with 124, and James H. Kenne's ally, Maskette, regarded as the chief rival to Fitzherbert for the championship among the 2-year-olds, is next with 121. Restitouch, 122, Chambliss and Firestone, 113 each, and Kings Daughter, 115.

OUTLAWS TO PLAY ON SEAL GROUNDS
SAN FRANCISCO, Oct. 11.—The Oakland and Sacramento teams of the Coast League will play a double-header today on the Oakland grounds while the Oakland and Stockton teams of the State League will occupy the local Coast League grounds in the afternoon for the first time since the outlaws came under the organized baseball a week ago.

We had an early lunch, staying at Bakersfield that night. We found some bad roads going up the Mint canyon. From Acton on we experienced trouble with roads, but did not find it very hard crossing the desert.

The Fresno Motorcycle club had written that they would meet us at Visalia, eighty miles from Bakersfield, and give us a feed, so we were very anxious to get there by noon, but we did not awaken early in the morning, it being a dark when we got out on the line filled with gasoline and oil.

When near Delano, thirty-two miles out, we discovered that our machine would not run. After a few minutes spent in testing we found that the battery had run down and would not spark at all. We asked a man on the line where we borrowed a set of batteries to use until we could get some more.

From Delano on we had no trouble reaching Visalia at 2 o'clock. Leaving Visalia at 4 p. m. we reached Fresno about midnight, riding the last forty miles on the road, but did not find it very hard crossing the desert.

On our whole trip we covered 1400 miles and had absolutely no engine trouble and only three punctures. We carried nothing with us but a small innkeeper and a camera, with which we got a number of fine views, some being 5000 feet up and some on the sea level.

The inland route from Los Angeles to San Francisco is much better than the coast route, as there are less hills and the roads are in better shape. To any one wishing to see the country I think the motorcycle cannot be beaten as a mode of transit, as it is not expensive to run and is not very tired, even if too many miles are not made in one day.

Game Between Coyotes and Brunswicks Called Off

Managers Preciado and Maul Unable to Agree on Plan for Contest.

The proposed game at Recreation Park next Sunday between the Madera Coyotes and the Brunswicks of this city was yesterday called off, after a conference over the long distance phone between Managers Maul of the Coyotes and Charles Preciado of the Brunswicks. A disagreement over the terms of the game is the reason assigned for calling negotiations off.

When Preciado was in Fresno last week it was tacitly understood between Maul and the Coyote leader that the Brunswicks were to make the trip here and open the winter season at Recreation Park. The Brunswicks have not been playing for several months, but Maul consented to reorganize his aggregation if the Madera team would come to Fresno.

In the presence of the sporting editor of the Republican, Preciado agreed to come here should the Tigers decide to play at Visalia next Sunday instead of at Madera, as originally planned. McLaughlin will take his State Leagueurs to the home of the Pirates, hence Preciado has an open date.

In a conversation over the phone yesterday the Coyote manager said that if the Brunswicks would come to Madera, the game would be played. The gate receipts were to be split 50 and 40 per cent. However, Maul had arranged for the contest at Recreation Park and inasmuch as Preciado was firm in his declaration that the scheduled game would have to be pulled off in Madera or there would be no meeting, the Brunswicks leader declined to take his men away from home.

Preciado states that the fans of the northern town want a game there next Sunday, owing to the fact that last Sunday was an open date. The Brunswicks have practically closed negotiations with the manager of a team of Bloomer girls from Chicago and New York.

Another unexpected feature in today's developments of the championship match was a meeting of the two principals. Johnson had halted to fix a punctured tire when Ketchel, passenger in another machine, stopped, and was engaged in several minutes of good natured chaffing.

POSTPONE RACES.
LEXINGTON, Ky., Oct. 11.—The racing season was postponed tomorrow on account of Sunday's rain.

YORK. The lasses are now making a tour of the West, and want to stop off in Fresno on November 6th. The Tigers will be away from home on that date. Maul will probably send his Brunswicks against the "pajama girls."

Champion Has Record of Long Standing; Ryan Confident.

Tony Munkers is down in good shape for his coming bout with Frankie Ryan and has cut out all hard training. He will do a little light wrestling Tuesday and Wednesday at the Athletic hall, Madera, with some local boys.

Munkers and Ryan, while making an agreement almost came to blows, but Ryan's manager stopped the trouble. Ryan's manager states that his men are in good condition and is very confident that he will dispose of Champion Munkers after he has felt out the champion. Ryan states that if he don't win from Munkers he will cut out the wrestling game for good.

Munkers and Ryan came together once before at Los Angeles. Munkers was the winner after forty-eight minutes of wrestling. Ryan taking one fall out of three. Munkers speaks of the affair as a matter of science against strength, and says he is most confident of beating the "Dusky Dane."

Ryan claims to be an old hand at the game and has a good record with him as a mat artist. Munkers has held the championship of the coast for a number of years and has a record worth noting. Munkers won from the champion middleweight of Canada in 1931 in a small town in Canada by the name of George, after two hours and forty-two seconds, securing the first fall in one hour and two seconds, and the second in one hour and forty seconds. This champion's name was Eddie Manero, who has wrestled from coast to coast, making all weights, due before coming to Fresno. Munkers wrestled five men in Los Angeles, agreeing to throw each man once. Munkers succeeded in throwing the first after a long three-hour bout and fifty-four seconds. The "Dusky Dane" was one of his opponents, weight 200 pounds, stopped. The other men were Jack O'Leary, Jack Lowe, Freddie Johnson and Ed Thunberger.

The Madera fans will have a chance to have their nerves sharpened when they see the two battle for the championship honors next Wednesday. The bouts will start promptly at 8 o'clock and the preliminary will be the fight of Fresno and Ed Thunberger of Los Angeles.

RECORD IS BROKEN FOR THROWING BALL
SEATTLE, Wash., Oct. 11.—Miss Louise Arnold, aged 18, of Bellingham, Wash., broke a world's record today by throwing a baseball 269 feet 5 1/2 inches. The previous world's record on record, held by Miss Marjorie Bell of Chicago, was 204 feet 2 inches.

GAME CALLED OFF.
SAN FRANCISCO, Oct. 11.—The Olympic Club Rugby fifteen has called off a game scheduled with the University of California varsity tomorrow, as five of the clubmen are suffering from injuries. The Olympic team will play the University of Nevada at Reno next Saturday and it is expected that all the injured will be in the game. The clubmen did not care to risk their men in a game tomorrow.

NO ACTION YET.
DETROIT, Oct. 11.—The National Baseball Commission today again postponed action on the Murphy-Pfeiffer case. Chairman Herrmann promises that some definite action would be taken tomorrow.

ARMY POLO TEAM LOSES.
WEST POINT, N. Y., Oct. 11.—The polo team of Squadron A, the crack New York national guard cavalry organization, defeated a picked team of army officers today, 5-2 to 7.

COR. I AND MERCED STS., FRESNO, CAL.

R. H. HANKINS.

NOTICE TO TAXPAYERS

The first installment of taxes, both city and county, are due and payable at the office of the Tax Collector, at the Court House, Fresno, at the second Monday in October (the 11th) and delinquent the last Monday in November (the 29th).

Both installments may be paid at the same time.

Please remember that after six o'clock on Monday, November 29th, a penalty of 15 per cent will be added, and this law will be carried out to the minute. I would advise paying as early as possible to avoid the rush that occurs the last week.

A. B. SMITH
Tax Collector,
Fresno County.

FOR SALE—Real Estate

—BUSINESS PROPERTY—
HERE is an opportunity to buy one of the best brick buildings in the city of Fresno. This property is on 2 1/2 blocks from Fresno and is a 2 story building. It is a two story modern building in the best part of town. This property will pay better than seven per cent net on the investment. Remember that a good business block pays whether the market is up or down. Don't overlook this opportunity.

2000—Five acres, two miles out on Tulare avenue, with vines, trees and alfalfa. House and barn. Good water, all necessary tools. This house, vine and alfalfa is a good investment. It is better than \$2000 or \$3000 for a house in city, where there isn't room to turn around.

2000—For this good income place of twenty acres, 15 miles from town, 5 acres alfalfa, 12 acres orchard, 1 acre alfalfa. Good buildings, tools, trunks and boxes. Easy terms. Good paying place.

2000—Twenty acres, 10 acres Muscats, four years old, 4 acres of trees 5 years old. 12 acres alfalfa. Good 10 room house, barn, all necessary tools, trunks and boxes. \$2000 cash, balance long time. Just the right time to buy when prices are low. This place is worth \$1000.

DO YOU WANT eighty acres of good land near Kingsburg? If you do, ask to see this place and make an offer. It is for sale.

WHAT HAVE YOU to trade for an equity of \$1500 in a 4000 acre good alfalfa place. Long time for the balance.

2500—For a good five room modern house near High school. Three blocks from car. Large yard with good shade. Half cash, balance in monthly payments.

WE CAN SELL you a good six room modern house 1 1/2 blocks from car line, for \$250 cash and balance \$20 per month better than renting.

11300—Five room modern house, one block from car line.

—LOTS—
GOOD LOTS on Clark St. Prices from \$150 to \$350. Well worth the price.

WE HAVE eleven good lots on "Forth" camp Ave. for \$50 for inside lots and \$400 for corner lots. Finest location for a home.

1500—For two lots, 50x150 on P. St. between Tulare and Mariposa Sts. This location is the best for a home or an apartment house. It can't be beat. You can't go wrong on this buy.

U. P. E. C. GIVEN FORMAL WELCOME

Mayor Rowell Presents Key to City of Fresno.

Armory Hall Is Filled to Capacity By Delegates and Guests.

The delegates to the supreme council of the U. P. E. C. were formally welcomed to the city of Fresno last night. The crowd that was present for the occasion filled armory hall to its capacity and when President of the Day Dr. W. T. Burks called the gathering to order there was not a vacant seat in the house and standing room was at a premium. The key to the city, a great golden affair that was warranted to open the most obstinate lock, was presented to Grand President John Pereira by Mayor Rowell in a strong address of welcome. In response the grand president introduced Grand Director J. P. Mendonca, who made an excellent speech appropriate to the occasion. Only two addresses were delivered in the Portuguese language, the one of these was by T. L. Lemos of Hayward, an attorney by profession and an orator in the tongue of his native country of no small ability. The other address in Portuguese was delivered by Grand President Pereira at the close of the ceremonies.

CARTWRIGHT SPEAKS.
Owing to the fact that Mayor Rowell was detained by urgent business and did not arrive at the hall until a late hour, the opening address was delivered by Senator G. W. Cartwright. The popular legislator was at his best and made a strong speech of welcome to the visitors, though he frankly admitted that he knew but little of the U. P. E. C. excepting what he had been told as he mounted the platform. However, the senator extended the glad hand of good fellowship in proper shape and "stated the ball rolling."

Senator J. G. Mattos, Jr., present grand treasurer of the order, and who is also a past grand president, followed. The senator gave an excellent history of the organization. He traced it up to the present time from its birth and set forth its objects of fraternalism and insurance.

Grand Director Lemos proved himself an excellent entertainer. Not only was he eloquent and actually dramatic, but when not speaking seriously, he kept his audience convinced with laughter by his wit and humor. So loud and hearty was the laughter at times that the Americans present wishing to join in

FIREBAUGH LOSES TOO BAD SALOONS

Supervisors Revoke Licenses for Offenses.

Two More Are in Danger as Result of the Chittenden Crusade.

George Firebaugh and Joseph Brown, two of the four Firebaugh brothers, have lost their licenses for the past year for offenses committed yesterday afternoon. Supervisors Brickley and Chittenden afterward pleaded for them that they be privileged to continue business until the next year, but they were refused. The request was granted as the supervisors stated that they did not wish to further punish them for offenses committed in the past, but the privilege would be granted on the understanding that they would be strictly in accordance with the ordinance and that they be no reoffenders.

The case of Firebaugh was taken up as the first of the four brothers. He had been convicted of selling liquor to a minor and on this trial the evidence was given. A respectable defense was put up, but the jury found him guilty. He was fined \$100 and costs. The case of Brown was taken up next. He had been convicted of selling liquor to a minor and on this trial the evidence was given. A respectable defense was put up, but the jury found him guilty. He was fined \$100 and costs.

Among the local citizens who attended the trial were Assemblyman A. M. Drew, Sheriff Chittenden, City Trustee Collins and Martin, Deputy District Attorney Hawson, Chief of Police Alvin McSwain and President A. L. Hobbs of the Chamber of Commerce.

PETTY OFFENDERS IN POLICE COURT

While Judge Briggs had a number of petty offenders before him yesterday morning the majority were allowed to go on suspended sentence.

Amerigo Grunelli was fined \$5 and 10 days for disturbing the peace. Sam Ellis was given twenty days for a similar offense and Frank Martinez received ten days on a like charge. James Jenkins will spend the next ten days in the county jail for getting drunk.

Charles Ward, Tony Moran and G. Moran, arrested by Sheriff Chittenden and others, were each given thirty day sentences.

Fred Wilson was arrested yesterday for riding his bicycle on the sidewalk. W. H. Stafford was arrested for drunkenness. Charles Moon was arrested for drunkenness and Sam Flash was arrested for drunkenness.

MATHEWSON FINED FOR FAST DRIVING

Tulare Judge Plasters on Forty Dollar Charge Against the Local Architect.

Eugene Mathewson, the local architect, was arrested in Tulare yesterday for exceeding the speed limit and fined \$40 for the offense. Mathewson figured in an accident about a week ago in which a baby containing a woman and child was overturned. No one was injured at the time. Mathewson was driving at a furious rate just prior to the accident at that time but slowed down just before reaching the baby, thus preventing any injuries.

The Most Remarkable Guarantee Ever Made on a Heating Stove

We have received a letter from the president of the Cole Manufacturing Company which specifically states that they can guarantee Cole's Original Hot Blast Stove to save a third of fuel over any other draft stove of the same size with soft coal, shell or lignite. It is guaranteed to hold fire from Saturday night until Monday morning; guaranteed to have a smoke-proof feed-door; guaranteed to remain air tight as long as the manufacturer is to have a uniform heat day and night with soft coal, hard coal or lignite; guaranteed to use less hard coal for heating a given space than any other burner with the same size fire-pot, and to heat the room in the morning with the fuel put in the day before (which does away with kindling or shouling the fire each morning).

This Guarantee comes with Cole's Hot Blast, which can be bought only from us.

When you analyze this guarantee and see how they state in black and white just what it will do in comparison with other soft coal stoves, and even with hard coal base burners, it is safe to say that the majority of stove buyers this season for heating purposes will be the famous Cole's Hot Blast, for which we are the exclusive agents in this town. We have these stoves on our floor and will be pleased to show them to every one interested. Come soon.

(Signed)
BARRETT-HICKS CO., Sole Agents

AWARD CONTRACT OF HEATING PLANT

School Supt. Makes Enrollment Report.

Board of Education Calls for Bids to Construct Lowell Annex.

At a meeting of the city board of education held last night the contract to install the heating plant of the Lowell school and its annex was awarded to the Pacific Heating and Heating Company of San Francisco for a sum of \$4750. The contract was made with the understanding that the work of installation is to be commenced at once in order that it may be ready before the cold weather sets in. The final papers will probably be signed today, and a representative of the company who was present stated that the job would be completed three weeks later. The board also ordered calling for bids from contractors for the building of the annex to the Lowell school.

Superintendent McLane submitted a detailed report of the enrollment of pupils at the city schools. The total number of children attending the various schools at present is shown to be 4,217. This number is smaller than that given at the time of the closing of schools for last term, but is larger than that of the corresponding month last year. The superintendent is said by Superintendent McLane to increase each month as the term advances. The substance of the report submitted on the enrollment is as follows:

Boys	Girls	Total	
Columbia	152	129	281
Emerson	202	225	427
Franklin	63	51	114
Hawthorne	251	288	539

TO TRAIN GIRLS IN USEFUL ARTS

Y. W. to Teach Dressmaking and Millinery.

Classes Also in Gymnasium

Work Are Soon to Be Under Way.

Things are looking in one then flourishing about the Young Woman's Christian Association the last day of two. Renewed activities in class work are responsible for the air of brightness that prevails. Some very excellent instructors in various domestic branches have been secured, and as soon as classes assume large enough proportions class-work will begin earnestly. In fact, this class will be the commencement of practical class-work along several lines.

Mrs. E. T. Fraser has been secured to conduct a class in the use of patterns, making and finish shirt waists. The class will be conducted on a day evening from 8 until 9:30 with a charge of \$2 for twenty lessons. The same charge is made for embroidery lessons given under Miss A. B. Spier, who will teach the newest things in embroidery stitches. This class will open the coming at 7:30.

Another Monday evening class will be conducted by Miss E. M. Williams who will instruct in millinery, the same charges being made as for other classes.

Gymnasium classes will be under the instruction of a trained leader from the Y. M. C. A., Mr. Fox having general supervision of the classes. Dr. A. L. Long will pass on the physical condition of each member, and will take a personal interest in the work. Classes will be held Tuesday and Friday evenings at a charge of \$2.50 for twenty lessons. Relaxation and recreation is the aim of this course.

It requires six persons to start a class and fifteen members for a gymnasium class. Bible classes are also formed, one already meeting on Monday evening to study the life of Christ. An afternoon class will be announced later.

There was an enthusiastic meeting of the board of directors yesterday afternoon. Miss Sayre meeting with the board for the first time since her return from New York. Very gratifying reports were given by the secretaries and two vacancies on the board were filled by Mrs. W. R. McIntosh, who will be chairman of the extension work, and Mrs. J. C. Chandler.

Special attention is to be given this year to the work of the educational committee, and to Sunday afternoon vesper services. Next Sunday, Miss Gordon, who has recently returned from the Philippines, will speak at the afternoon service, bringing with her a little Philippine girl. After the service there will be a social hour and a cup of tea.

There was a very cosy and comfortable already in their bright rooms, easy chairs and couches. This addition has given more room to the cafeteria, which has added several tables and is now a much-needed want.

Thirty-five new names have been added to the membership roll and the association work is progressing fast.

Supervisors Revoke Licenses for Offenses.

Two More Are in Danger as Result of the Chittenden Crusade.

The case of Firebaugh was taken up as the first of the four brothers. He had been convicted of selling liquor to a minor and on this trial the evidence was given. A respectable defense was put up, but the jury found him guilty. He was fined \$100 and costs. The case of Brown was taken up next. He had been convicted of selling liquor to a minor and on this trial the evidence was given. A respectable defense was put up, but the jury found him guilty. He was fined \$100 and costs.

Among the local citizens who attended the trial were Assemblyman A. M. Drew, Sheriff Chittenden, City Trustee Collins and Martin, Deputy District Attorney Hawson, Chief of Police Alvin McSwain and President A. L. Hobbs of the Chamber of Commerce.

Run Down?

Ask your doctor all about Ayer's Sarsaparilla. Entirely free from alcohol. A strong tonic and alterative.

Ayer's Sarsaparilla is a tonic. It does not stimulate. It does not make you feel better one day, then as bad as ever the next. There is not a drop of alcohol in it. You have the steady, even gain that comes from a strong tonic. Ask your doctor all about this.

A Thousand Dollars Free

Won't it be a splendid prize for someone. Imagine yourself the winner. Just think what it means. It's all possible. It's to be entirely free. No Strings to it---No hard work, Just the centering of your buying here. So many departments to help along. Hardware, Groceries, Implements. FRESNAN MARRIES KENTUCKY BELLE

Bert Landy, New of Reno, Surprises Friends by Bringing Bride from Bluegrass State.

News was received here yesterday of the marriage of Bert Landy to Katherine L. Gregory of Lexington, Ky. Mr. Landy is well known in Fresno where his mother, Mrs. W. C. Landy, resides. The Reno Gazette gives the following account of the wedding:

Col. C. A. Landy, better known as "Bert" Landy, of the governor's staff, shipped into Reno with a charming bride to the intense surprise of his many friends, and yesterday was spent in explaining the romance that brought him a few weeks ago to the green hills of Kentucky.

Landy's fortune comes in strokes. It was only recently that he was advanced a grade by Governor Fletcher who promoted him from the rank of lieutenant-colonel to that of colonel and now to be a happy husband.

On September 29, Mr. Landy was married at Lexington, Ky., to Miss Katherine L. Gregory, a charming daughter of the same South. The ceremony was performed by Rev. Young of the Methodist church of that city. In the presence of a distinguished company, at the ancestral home of the bride.

The bride is the daughter of Mr. and Mrs. A. V. Gregory of Owensboro, and comes of a noted Southern family that contributed its quota to the Confederacy in the dark days.

Col. Landy is the son of W. C. Landy, for whom the city of Landy in Mono county, California, was named. He was the first white child born in Landy.

On their honeymoon trip the bride and groom stopped at St. Louis, where they inspected the Barris automobile factory in which Mr. Landy is interested, preceding them to Reno.

The newlyweds will make their home in Reno at 257 Chestnut street.

Health-Ray Glasses

Yet the proper glasses, perfectly correcting all refractive errors, may fail to relieve because the present material used for eye glass lenses absolutely shuts from the eye all that part of light so essential to eye health and vigor.

Through these lenses you get only ten per cent. of health light, but all the heat light to irritate and inflame.

With the new Health-Ray glass you get ninety per cent. more health light and all other light in natural proportions.

No dread of the light, no squinting, no eye or headaches for wearers of The Health-Ray.
